Committed to Excellence

KIMEP UNIVERSITY

STUDENT,

Still thinking which course to choose in next fall/spring semester?

- you want it be useful for your career?
- give practical insight into the field of study?
- you want it to be interesting and exciting?

What about coming to the workshop dedicated to Special Issues in International Taxation delivered by the Master students of Taxation classes?

Date: April 23, Monday

Venue: KIMEP, Valikhanov Building, Hall #237

Time: 9:30- 12:40 Morning Session

17:00- 19:15 Afternoon Session

Check whether you would like to study taxation courses in a future?
Come at any time and check it yourself.

During the conference you can also contact a person who can provide you information about other tax courses and opportunities for students with a minor in Taxation.

Detailed program of the event you can find on our official website: www.catrc.kz or
